## **COUNT I**

### **VIOLATION OF THE ADA**

10. Plaintiff realleges paragraphs one (1) through nine (9) of this Complaint and incorporates them here as if set forth in full.

11. Plaintiff has visited the property which forms the basis of this lawsuit, has been back to the property since then, and has plans to return on a regular basis to avail herself of the goods and services offered to the public at the property.

12. There are numerous architectural barriers present at Mason's Burger Bar that prevent and/or restrict access by Plaintiff, in that several features, elements, and spaces of Mason's Burger Bar are not accessible to or usable by Plaintiff, as specified in 28 C.F.R. 36.406 and the Standards for Accessible Design, 28 C.F.R., Pt. 36, Appendix A ('the Standards').

13. Elements and spaces to which there are barriers to access at Mason's Burger Bar include, but are not necessarily limited to:

a. The designated accessible parking is not closest to the entrance to the building.

b. The designated accessible parking is in disrepair and creates a dangerous condition to an individual in a wheelchair.

c. There is no signage indicating where the designated accessible parking is located.

d. There is a lack of an accessible route from the designated accessible parking to the entrance for a disabled individual in a wheelchair to utilize.

e. The cement at the entrance door is in disrepair and creates a dangerous condition for a disabled individual in a wheelchair.

f. The door at the entrance has an excessive pull weight.

j. There are no accessible tables for a disabled individual in a wheelchair to use.

k. There is no lowered section at the bar for a disabled individual in a wheelchair to use.

l. The women's restroom has the following violations:

- The entrance door is too narrow;
- There is an excessively high threshold at the entrance door;

- The trash can obstructs the entrance into the restroom;
- There are items in the restroom that are out of reach for a disabled individual in a wheelchair;
- There is no pipe wrap underneath the sink and creates a burning hazard for a disabled individual in a wheelchair;
- There are items that block the clear access to the sink;
- The stall to the toilet opens inward and obstructs the clear floor space;
- The coat rack in the stall is located too high; and
- There are no grab bars at the toilet for a disabled individual in a wheelchair to utilize.

- The trash can blocks the clear floor space in the restroom;
- There are no grab bars;
- The stall to the toilet opens inward and obstructs the clear floor space;
- The handle on the stall is a twist type which is unusable for an individual in a wheelchair; and
- The urinal is located too high.

14. The discriminatory violations described in paragraph 13 of this Complaint were personally encountered by Plaintiff. The Plaintiff has been denied the benefits of, services, programs and activities of the Defendant's building and facilities, and has

otherwise been discriminated against and damaged by the Defendant because of the Defendant's ADA violations, as set forth above.

15. The Plaintiff will continue to suffer such discrimination, injury and damage without the immediate relief provided by the ADA as requested herein. The Plaintiff has been denied access to, and has been denied the benefits of services, programs and activities of the Defendant's buildings and its facilities, the opportunity to use such elements, and has otherwise been discriminated against and damaged by the Defendant because of the Defendant's ADA violations, as set forth above.

16. Plaintiff has standing to sue for every barrier to access for the mobility-impaired that exists on the subject premises. Bernadette Scott has standing to require that all barriers to access on the property for the mobility-impaired are corrected, not merely only those Bernadette Scott personally encountered.

17. Defendants' failure to remove the architectural barriers identified in paragraph thirteen (13) constitutes a pattern or practice of discrimination within the meaning of 42 U.S.C. 12188 (b)(1)(B)(i) and 28 C.F.R. 36.503 (a).

18. It would be readily achievable for the Defendant to remove the architectural barriers identified above and to modify their policies of discrimination.

19. Defendant is required to remove the existing architectural barriers to the physically disabled when such removal is readily achievable for its place of public accommodation that have existed prior to January 26, 1992, 28 CFR 36.304(a); in the alternative, if there has been an alteration to Defendant's place of public accommodation

since January 26, 1992, then the Defendant is required to ensure to the maximum extent feasible, that the altered portions of the facility are readily accessible to and useable by individuals with disabilities, including individuals who use wheelchairs, 28 CFR 36.402; and finally, if the Defendant's facility is one which was designed and constructed for first occupancy subsequent to January 26, 1993, as defined in 28 CFR 36.401, then the Defendant's facility must be readily accessible to and useable by individuals with disabilities as defined by the ADA.

20. The Defendant has discriminated against Plaintiff by denying her access to, and full and equal enjoyment of, the goods, services, facilities, privileges, advantages and/or accommodations of the buildings, as prohibited by 42 U.S.C. § 12182 et seq. and 28 CFR 36.302 et seq.

21. Defendant continues to discriminate against the Plaintiff by failing to make reasonable modifications in policies, practices or procedures, when such modifications are necessary to afford all offered goods, services, facilities, privileges, advantages or accommodations to individuals with disabilities.

22. Bernadette Scott has a realistic, credible, existing and continuing threat of discrimination from the Defendant's non-compliance with the ADA with respect to this property as described, but not necessarily limited to, the allegations in paragraph 13 of this Complaint. Plaintiff has reasonable grounds to believe that she will continue to be subjected to discrimination in violations of the ADA by the Defendant.

23. Plaintiff is aware that it will be a futile gesture to re-visit the property until it becomes compliant with the ADA, unless she is willing to suffer further discrimination.

24. Plaintiff is without an adequate remedy at law and is suffering irreparable harm. Plaintiff has retained the undersigned counsel and is entitled to recover attorney's fees, costs and litigation expenses from the Defendant pursuant to 42 U.S.C. § 12205 and 28 CFR 36.505.

25. Notice to Defendant is not required as a result of the Defendant's failure to cure the violations by January 26, 1992 (or January 26, 1993, if Defendant has 10 or fewer employees and gross receipts of \$500,000 or less). All other conditions precedent have been met by Plaintiffs or waived by the Defendant.

26. Pursuant to 42 U.S.C. § 12188, this Court is provided with authority to grant Plaintiff Injunctive Relief, including an order to require the Defendant to make the property readily accessible and useable to the Plaintiff and all other persons with disabilities as defined by the ADA; or by closing the facility until such time as the Defendant cures its violations of the ADA.

## **COUNT II**

### **VIOLATION OF THE PDCRA**

27. Plaintiff realleges paragraphs one (1) through twenty-six (26) of this Complaint and incorporates them here as if set forth in full.

28. The Defendant has discriminated against Plaintiff by denying her the full and equal enjoyment of the goods, services, facilities, privileges, advantages, and

accommodations of a place of public accommodation because of a disability, as prohibited by MCL 37.1302.

29. Plaintiff has desired and attempted to enjoy the goods and services at the property as a customer and patron. She has been prevented from doing so due to the existing architectural barriers at the property. As a result, she has been distressed and inconvenienced thereby, and is entitled to monetary damages for her injuries, as provided for in MCL 37.1606.

30. As a result of being denied full access to the property, Plaintiff has suffered, and will continue to suffer, emotional distress, humiliation, anxiety, anger, a loss of enjoyment of life, and other consequential and incidental damages.

#### **PRAYER FOR RELIEF**

32. Because Defendant has engaged in the acts and practices described above, Defendant has violated the law as alleged in this Complaint and unless restrained by this Honorable Court, Defendant will continue to violate the Constitution and laws of the United States of America, and the State of Michigan, and will cause injury, loss and damage to the Plaintiff, and all others so similarly situated.

**WHEREFORE**, Plaintiff respectfully requests that this Court:

A. Declare that Defendant has violated title III of the Americans with Disabilities Act, 42 U.S.C. § 12181 et seq, 28 C.F.R. pt. 36, and the Michigan Persons With Disabilities Civil Rights Act (“PDCRA”), MCL 37.1101 *et. seq.*

- i. by failing to bring Mason's Burger Bar into compliance with the Standards where it is readily achievable to do so; and
- ii. by failing to take other readily achievable measures to remove architectural barriers to access when it is not readily achievable to comply fully with the Standards.

B. Order Defendant:

- i. to make all readily achievable alterations to the facility; or to make such facility readily accessible to and usable by individuals with disabilities to the extent required by the ADA;
- ii. to make reasonable modifications in policies, practices or procedures, when such modifications are necessary to afford all offered goods, services, facilities, privileges, advantages or accommodations to individuals with disabilities

C. Award damages to Bernadette Scott who has been aggrieved and injured by the illegal acts of discrimination committed by Defendant;

D. Award attorney's fees, costs and litigation expenses pursuant to 42 U.S.C. § 12205 and MCL 37.1606.

E. Order such other appropriate relief as the interests of justice may require.
